

Press release

Sandviken, Sweden, 10 mars 2011

Price increase on heat exchanger tubes

Sandvik Materials Technology will, as a consequence of current market conditions, increase its prices for seamless heat exchanger tubing.

The price increase will be effective for all new orders on or after March 25, 2011.

For questions, or more information, please contact your local Sandvik representative.

Sandvik Group

The Sandvik Group is a global high technology enterprise with 47,000 employees in 130 countries.
